I have requested the City of Folsom remove the notice from their webpage. I am not sure if it was posted anywhere else; however, I know it was broadcast by the community on social media. I have also cancelled the court reporter and meeting room.

Hi Everyone – Aerojet was informed by DTSC today that the public meeting scheduled for May 17 has been cancelled. DTSC is working on identifying a revised meeting date for early- to mid-June. I believe it is sending a notice out to the public today to document this change. Chris
